### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: While the components of the claimed system are all known, a fossil-fuel fired turbine, a steam turbine, generators running off both steam and fossil-fuel fired turbines, back-up generators and electrically powered compressors for natural gas liquefaction, no reference can be found which teaches using a fuel fired turbine to power a generator and produce steam which also powers a generator, with the electricity provided to an on-site liquefaction system having a back-up generator driven by the fossil fuel fired turbine.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William C. Doerrler whose telephone number is (571) 272-4807. The examiner can normally be reached on Monday-Friday 6:30-4:30.
